

Leaf Pickup October 28th & 29th (City Residents Only)

All leaves must be bagged in bio-degradable or heavy-duty paper bags. First scheduled dates for pick up will be October 28th & 29th. Please place leaves in bio-degradable bags and have out by curb for Advanced Disposal to pick up.

Please take care to keep leaves off the street. Do not rake leaves to the street. Wet leaves on the street can cause safety hazards. Reminder that burning leaves is prohibited in the City limits.

Residents may dispose leaves behind the City's Waste Water Treatment Plant at 301 E Industrial Dr. Please take bags with you do not leave bags at site.
